- Distribution WIPT
- Proposed T/O Requirements
- MDC Working Group (MDCWG)
- Way Ahead

CURRENT STATUS AND IMPACT ON MOS 31XX

- Both I and II MEF have operational MDC’s
- Different SOP’s, no standard business process
- III MEF working on their MDP concept
- 4th MLG working on Distribution Bn concept
- Significant manpower issues to work through
- Significant training adjustments required

DISTRIBUTION WIPT

- Purpose of the meeting
- Issues to resolve
- Way ahead

CURRENT/PROPOSED BILLET STRUCTURE

- By T/O, what do the MLG's rate for MOS 31XX?
- What adjustments are needed?
- We need LPV and MCCDC support!

MDC WORKING GROUP (MDCWG)

- Why we need a WG for the MDC
- Distribution centric organization
- Discuss joint interfaces during deployments
- Focus on the business processes

WAY AHEAD

- Distribution WIPT
- Creation of MDCWG
- Create draft SOP and T/O

MAGTF DISTRIBUTION CENTER (MDC) UPDATE

- Objective: Build consensus on the future role of the TMO/DMO, within the MDC.

- The Five W's
  - Who should run the MDC? (MOS/Rank)
  - What will the MDC of the future look like?
  - When will all the MDC's be standardized?
  - Where should the MDC be located in MLG's?
  - Why these changes will benefit the USMC?
